

ELECTION 2024

School Boards Need You

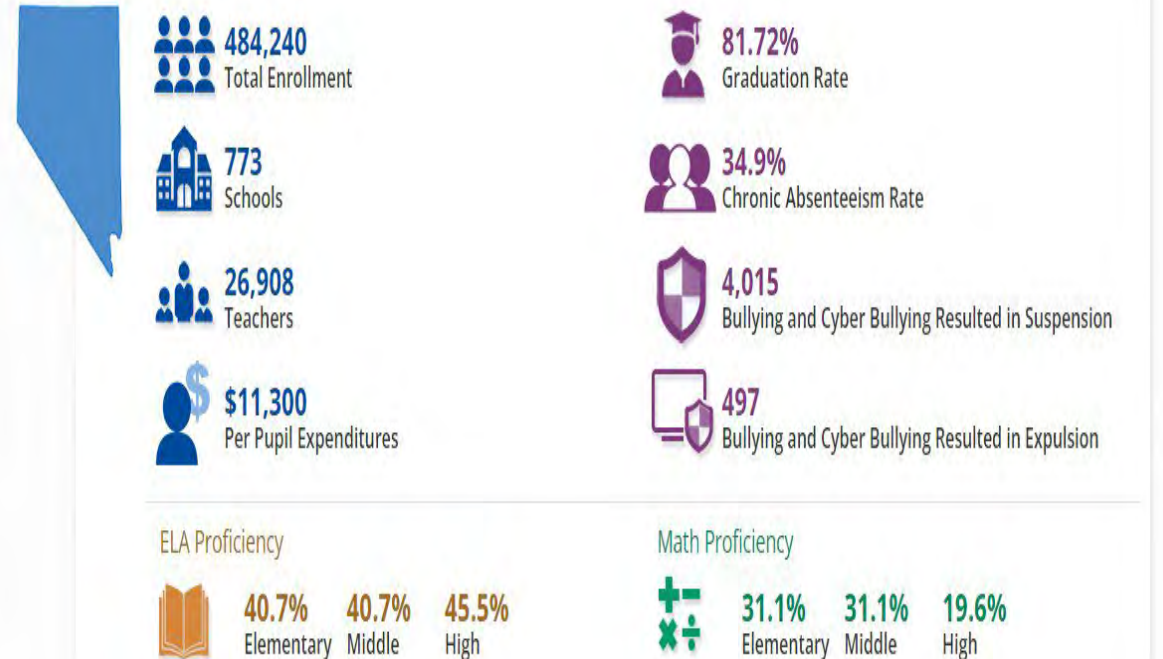

We are failing our children. Nevada ranks last or near last in almost every study of Education but Not last in funding.

There are 17 School Boards in Nevada by County but independent of the County. Regardless of party, we need good caring folks to run including for school board. This is a leadership and oversight position. You do not need to have children in school nor a background in education.

Likewise the State Board of Education is often overlooked and there are Four elected positions Statewide the same as our Federal Congressional Districts. Please consider applying!

Note: This is an unofficial non-partisan announcement. Check with School District and Registrar of Voters for specific information. We do not guarantee the accuracy of any of this information.

Ask your School Board Trustees and Candidates to sign this simple pledge and if they supported this their past term? (Print this out and ask them)

- 1) Academic Excellence: I support Quality of Education as the main goal and purpose
- 2) No Race Shamming: I oppose any indoctrination that singles out or shames any person on the basis of their race or class. Equality not Equity!
- 3) Gender Sports, Facilities and Lodging: I oppose allowing biological males/females to be part of any gender specific sports, use other gender restrooms and locker rooms or lodge with other gender students.
- 4) Parental Notification: I support Parental- Guardian notification as a standard practice (for example on issues of a student's claimed identity, transgender sports, Sex-Ed, books in libraries, etc)
- 5) School Choice: I support school choice and vouchers as competition drives improvement and not every student is a good fit for a "one size fits all" educational system.
